But, it's success depends on our performance on Fundamental duties which is there in Part IV(51A) of the Constitution. Mahatma Gandhi, father of the nation rightly said, "The true source of rights is duty. If we all discharge our duties, rights will be far to seek. If leaving duties unperformed we run after rights, they escape us like a will o the wisp." As known from the list, while Fundamental rights strengthened our democracy, Fundamental duties are essential to strengthened our society. Adherence to them will ensure common brotherhood, fortify our unity and integrity and improve the quality of life. A good understanding and practical on Fundamental duties is a must as our district has the most
