### **Skill Development Training under PMKVY**

In a constantly changing environment, skill development plays an important role to meet the challenges of everyday life. It has become the basic necessity for self-employment and entrepreneurship.

Rayburn College is passionate about mobilizing the skills and ambitions of new generations to build a better future for them, the society and for our world. Skills are something that can be acquired by learning. Youths are equipped with tremendous talents and it is crucial to nurture those talents for a better tomorrow.

Rayburn College in collaboration with NESEED Foundation (a training provider of NSDC) provides various skill development courses under PMKVY.

Details of the courses offered by the college under PMKVY
