To,  
The Principal,  
Rayburn College,  
Gangjimual, Churachandpur, Manipur

Subject: Request to conduct a career guidance session at Rayburn College.

Sir,

With reference to the subject mentioned above, **Highland Impact** would like to conduct a one day session in your esteemed institution i.e. Rayburn College, Gangjimual on "**Opportunities in the Armed Forces**" on the **4th June 2022**. The timing for the said seminar will be from 8:30 AM onwards. We would also like to inform you that **Lt. Col Khamlianmang Samte** will be the speaker cum-resource person. He will be interacting with the students throughout the seminar. It is our sincere hope to provide the students with the much needed guidance and required roadmap to build their career in the armed forces sector. Also, it will provide good opportunities to the potential youth especially in our district, Churachandpur.

Therefore, it is our kind request to you to provide us *the Auditorium* since we will be needing the place for this purpose.

Thanking you in anticipation.

Yours sincerely,

Golan Naulak

## **REPORT ON: “CAREER GUIDANCE AND STRESS MANAGEMENT” PROGRAM**

A career oriented guidance and stress management program was conducted by Skill Development and Placement Cell in collaboration with Psychology Department, **held on 9<sup>th</sup> of April, 2021, at Rayburn College, Churachandpur.**

Students of B.Sc 2<sup>nd</sup> Semesters were invited to witness and obtain the most advantage out of this program. **Mr. Thangmuansang Guite**, Proprietor – Tunnu Engineering & Consultancy, who speaks about “Engineering as a career” and **Miss Nemy Tombing, Counsellor - Rayburn High School, Churachandpur**, who presented various stress management techniques were invited as resource persons.

This program aimed at helping the students in finding the best career options, provide information on the nature and scope of various job opportunities and provide them with the skills and knowledge they need to make for important decisions throughout their life as well as set goals for their future in the field of Science & Engineering.

The addition of stress management techniques in this program will help them understand better and accepts their stress and anxiety that grows out of their stressful life as natural processes. Also, it will help them manage their time more efficiently and effectively and keep a positive attitude towards career options available to them in making their life more achieving and progress.

This program was conducted successfully throughout the whole session and it is believed that the students benefitted the most out of the program.
