Any specific suggestion that you may have for improvement of our College

47 responses

No specific suggestions

No

Auditorium is required

Toilet to teachers at every floor

Better Academic calender

Monthly salary is too less. The pay scale of School and college teaching staffs should never be the same.

If 1/2 staff toilet can be installed at our East Wing would be convenient for the staffs stationed at that part of the building.

If possible, having a staff/employee management software where days of leaves, salary, deductions, epf, login/logout time can be checked at any time, would be great. Only 'if'.

More toilets is required. Two each, if not atleast one, for each floor in the north and sides of each wing.

Insufficient toilets for faculties and non faculties.

a well structured work plan and dissemination

Effective welfare for the faculty

Faculty prayer/worship or devotional session occasionally will be great.

So far so good, thank you.

Sports facility

- 1). Need a longer class period and
- 2). Support a sport at college. Supporting a college sport can promote college spirit.

College's stationary shop may be improved

NIL

No suggestion

Sufficient ICT facilities for all class rooms.

Students feedbacks

Washrooms for every block

Proper/clear-cut responsibility-authority is required

More practical equipments for under graduate, post-graduate and research are the need of the hour.

ICT or smart TV could be made available to all classes

To take more initiative to encourage research

College Canteen:

1. Increase the variety of the menu
2. Make food items affordable

Faculty Toilet at West Wing First Floor is the need of the hour Indian

Style toilets are preferred.

Probably more toilets for the staff.

To construct indoor stadium and conduct game and sports annually.

Not applicable

It would be ideal if each classrooms have a screen/monitor for teaching aid.

1. If PhD course could be implemented especially for the faculty staff
2. If discipline of students within the campus be more strict.

Transparency

ICT facilities should be adequate in each class room.

Over all good

None

We need annual confidential report

ICT facilities should be given more importance as smart TV are not available for each class

To organise more seminars by different departments

Till date satisfied no specific suggestions

Effective welfare measures

Travel allowances for teachers beyond 2km from the vicinity of the College

Big room for seminar/conference is needed. Toilets/washroom for teachers in every floor also required

More advertisement for the facilities we can provide to our students.
