

EXPRESSION OF INTEREST FOR EDUCATIONAL COOPERATION BETWEEN
ST. STEPHEN'S COLLEGE, DELHI AND RAYBURN COLLEGE (AUTONOMOUS), MANIPUR

Representatives of St. Stephen's College, Delhi, India and Rayburn College (Autonomous) Manipur have discussed the desirability of a collaborative relationship designed to strengthen the bonds between the two institutions. This Expression of Interest is intended to help facilitate an academic exchange for educational and developmental programmes. Conceived as a continuing relationship, the arrangement will be formally reviewed every two years to ensure that both parties are sufficiently benefited and that desirable modifications are introduced as and when necessary and through mutual consent. This document formally records the broad expression to collaborate and specific details of collaborative projects will be recorded as separate agreements attached to this document and within the broad framework of this Expression of Interest.

OBJECTIVES:

1. To cooperate in the development of the institutions, especially with regard to academic programmes.
2. To broaden the experience of faculty, staff and students of the institutions, providing them with opportunities for increased professional development and cultural understanding.
3. To jointly promote aspects leading to scientific progress, educational advancement and the propagation of peace and leadership between the institutions.

OPERATIONS:

1. The institutions agree to discuss the objectives outlined above and mutually evolve specific guidelines for each collaborative project to develop academic, professional and cultural activities.

This Expression of Interest and related agreements for operation shall be effective after signing by the representatives of the institutions as below. This Expression of Interest shall be effective for five years after signing, with a review every two years. Either party may terminate the agreement by serving a written notice six months prior to the anticipated termination.
